

## ***Equipment Protection Filters***

Fast & Easy Quote  
No Measuring Required!

### **Instructions:**

1. Print a copy of this measuring tool for each different sized air intake.
2. Line up this page vertically to the top center of the unit.
3. Tape this page to the top center of the air intake.
4. Take a picture of the whole unit where this measuring tool is taped.
5. Repeat this process for each different sized air intake.
6. Email picture(s) in .jpg, .png or .pdf format to [sales@permatron.com](mailto:sales@permatron.com).

**A sales manager will contact you shortly with a preliminary estimate.**

Note this is NOT a final quote, and subject to change after project installation approval and exact measurements are verified.
